FOR IMMEDIATE RELEASE

Los Angeles, CA – Between Your Ears Entertainment presents Emmy Award-winning Morris Brothers to perform school assemblies across the country on their self-proclaimed “World Tour.”

The Morris Brothers’ (aka Homer and Rupert) are two zany nerds, that’s right, two N.E.R.D characters, who travel the country teaching kids that N.E.R.D. stands for a Never Ending Radical Dude. Their frequently quoted motto is “**It’s not what you look like, but how you feel about yourself that’s important**”. The 45-minute concert assembly features comedy, education and music from their debut album *Let’s Unite the Nation*, as a method for teaching friendship, teamwork, goal setting, self-confidence based around the main topic of each show.

The Morris Brothers have been featured hosts on FOX Television’s afternoon cartoon lineup conducting experiments from their underground treehouse laboratory; interviewing celebrities such as Dyan Cannon, Raven Symone, Howie Mandell, The Dixie Chicks; and educating kids and parents using fun facts, games, and trivia.

The Morris Brothers have just launched their very own social superhero fan club that’s FREE to join. Clips from their TV show, their live “World Tour” and their educational assemblies can be viewed at www.themorrisbrothers.com.
